

February 6, 1984

LB 835, 670

amendment deals with retroactive issues only for refunds protesting prior to 1984 valuations. There are some cases that are still pending in that area so this only deals with the 1984. I guess, Mr. President, that is a quick overview of them. It kind of brings back to where we were prior to the filing for refunds which is basically what we are attempting to do here. Two years does seem to be an excessive length of time after being in place and we believe that it should be back to the thirty day area. I repeat, the urgency for the approval of the amendment.

SPEAKER NICHOL: Is there any discussion on the amendment? If not, the question is the adoption of the Cal "Cottonwood" Carsten amendment. All those in favor vote aye, opposed nay. We are voting on the Carsten amendment. Committee under the south balcony, can you help us a minute here, please? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Carsten's amendment.

SPEAKER NICHOL: The Carsten amendment is adopted.

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER NICHOL: Senator Rod Johnson. Senator Carsten, could you move?

SENATOR CARSTEN: I would move LB 835 as amended be advanced.

SPEAKER NICHOL: Okay, you have heard the question. All those in favor say aye. Opposed nay. It is advanced.
